

# MOTORCRAFT® POWER STEERING HOSES

## Competitively Priced and a Great Value

- Competitively priced for all Ford, Lincoln and Mercury vehicles
- Power steering repair parts now available from Motorcraft® for turnkey repairs
- Same as Original Equipment; direct replacement for a perfect fit and easy installation
- Designed by Ford engineers – not reversed engineered
- Engineered from high-quality materials for excellent performance under operating conditions
- OE innovations and enhancements incorporated

## Long-Lasting Quality

- On-vehicle tested to help ensure trouble-free operation
- Vehicle-specific functional tests performed under varying load and temperature conditions
- Designed to withstand oil, ozone, and high under-hood heat, helping to ensuring a long service life
- Ethylene-propylene diolefin monomer (EPDM) rubber helps resist heat, oil and grease
- Designed and tested to help withstand fluid temperatures of 300° F
- Engineered to reduce or absorb pump pressure surges and pulsation
- Heat guards help protect hose in high-temperature areas
- Double-lock beading with barbed tube-end assists in leak prevention
- Includes factory-installed, pre-bent zinc-dichromate plated end-fittings, brackets, sensor ports, sheathing, bushings and grommets
- Exceeds SAE performance requirements
