

U-JOINTS

MAKE FORD GENUINE PARTS YOUR FIRST CHOICE FOR FORD AND LINCOLN REPLACEMENT PARTS.

Robust Casting

- Forged and heat treated for long life
- Precision machined trunnions for maximum life
- Machined seal surfaces for better sealing performance and long seal life

Lubed for Life

- Premium high-temperature grease helps ensure long life
- No regular maintenance required
- Some select heavy duty U-joints are serviceable

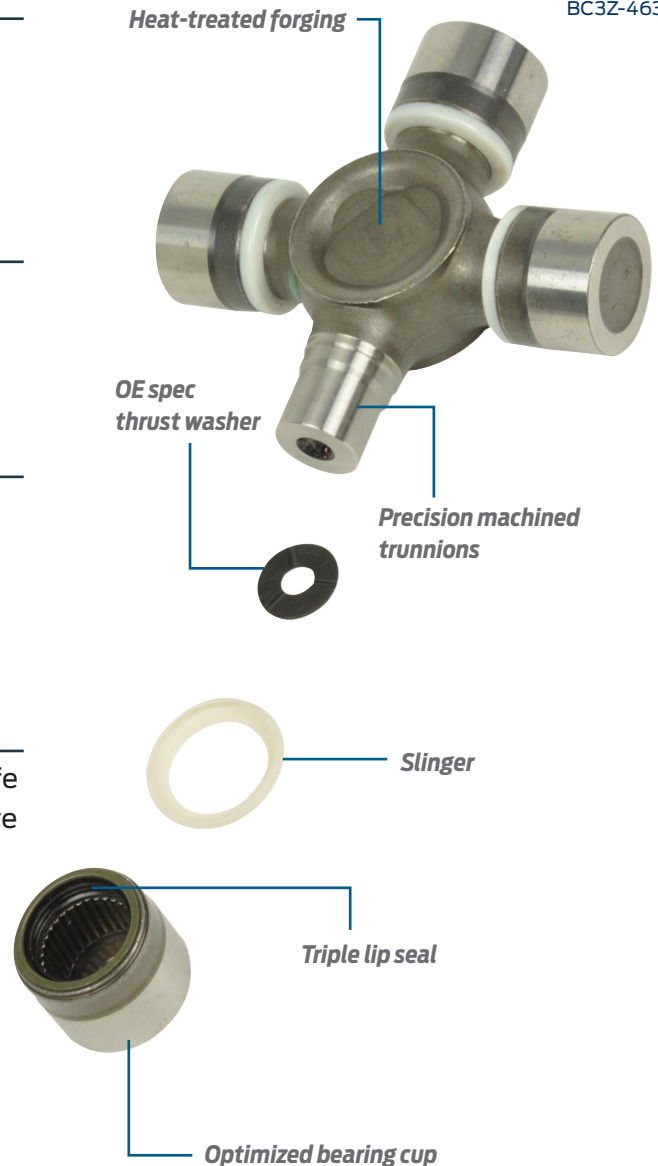

High Quality Seals

- Triple lip design for excellent sealing performance
- Robust design applies consistent seal pressure
- Seals are made of NBR (Acrylonitrile Butadiene Rubber) or H-NBR (Hydrogenated NBR), industry standard materials with a proven track record

Optimized Bearing Cups

- Precision machined for optimum performance and long life
- Thrust washers specific to Ford applications help improve bearing life
- Slings (select applications) help keep unwanted contaminants out
- Each kit includes retaining clips and any required additional hardware
