

## Ford Reman 4R75E Transmission

# THEIR CLAIMS JUST DON'T ADD UP

The extensive line of Ford Remanufactured transmissions are vehicle make- and model year-specific. Add to that a 3-year, unlimited-mileage warranty<sup>1</sup> with no commercial application exclusions and a no-risk core return policy, it's easy to see why customers who demand durability, reliability and performance choose Ford Remanufactured transmissions.

Ford vs. Major Competitor Remanufactured Transmissions			
Ford		Major Competitor	
✓	Access to proprietary Ford Engineering blueprint data for true OE performance specifications. Assistance Center, hotline and Ford Engineering support, plus more than 100 years of engine design, innovation, manufacturing and remanufacturing experience.	✗	No access to proprietary Ford data. Transmissions are reverse-engineered to speculate original OE specifications.
✓	Same thermal cycling and structural durability testing procedures as used for Ford production transmissions to validate all sealing systems and structural engine components.	✗	Testing procedures and design validation standards used are unknown.
✓	Vehicle make- and model year-specific transmission model numbers, and emissions calibration specific engine model numbers (based on fuel type used), to ensure: <ul style="list-style-type: none"> <li>• Ease of installation</li> <li>• All OE fuel economy, emissions, durability and performance requirements are achieved</li> </ul>	✗	Vehicle make and model year.
✓	3-year, unlimited-mileage warranty <sup>1</sup> <ul style="list-style-type: none"> <li>• No commercial application exclusions</li> <li>• No-risk core return credit (no extra charges if the case is damaged)</li> </ul>	✗	3-Year/100,000 Miles, or Less <ul style="list-style-type: none"> <li>• Commercial applications excluded<sup>2</sup></li> </ul>
✓	Warranty claim process:  Simply return the vehicle to the originating place of service or any of the more than 3,000 Ford and Lincoln dealerships nationwide.	✗	Warranty claim process <sup>2</sup> : <ol style="list-style-type: none"> <li>1. The buyer must notify major competitor of any warranty claim prior to repair for assignment of an authorization number.</li> <li>2. The work will be performed either at major competitor's factory or by another selected vendor.</li> <li>3. It is the sole responsibility of the buyer to pay for such work and, in writing, submit a claim with the alleged defective parts shipped prepaid to major competitor for its review and sole determination.</li> </ol>
